Plan Sequence	Optional: More than one plan may be entered for the What-If scenario (such as a major and a minor). If additional plans are to be evaluated in the same scenario, insert a row under the Plan What-If Data row.
	Note: We do not utilize Sub-plans.
7. Click the ogram Copy current P button.	populate into the Program What-If Data fields.
	This is a time saving feature and is helpful in ensuring the correct Career and Program requirement terms are entered.
 If multiple rows were populated, click the delete row button under the Program What-If Data bar to delete any unnecessary rows. 	Unnecessary rows are removed.
