J. M. Cruz and R. L. Peralta 166 This study is exploratory in nature, so that respondents were asked about their defini-/1

Just to ... Well, before I moved down here I was heavy into drugs and that was one of the reasons I moved down ... to get away from it all. And then I met him and one thing led to another and I got in with some people that were party animals and doing drugs, and that sort of thing, but ... Yeah, to escape, to like tune him out, I'd just get blown away at night.
